

Quality New Home On the South Slope

Offered at \$ 259,000

Newly constructed home on the South Slope. Nicely laid out floor plan features a massive vaulted living area with stone faced gas fireplace opened to the large kitchen with counter seating and dining area and an extraordinary amount of cabinets. Three large bedrooms with a full bath en-suite with separate shower. Full second bath with tile work. Over heighted 9' ceilings, detached oversized garage with covered breezeway leads to the casual entry with mudroom. Concrete drive and sidewalks with south facing deck. All this on an oversized 87x136 lot. This is hands down the best value new home on the market.
